Boating Under the Influence

Length: 3 Days (24 hours)

This course will teach you how to recognize and properly evaluate impaired boat operators from the initial observation of the vessel to the arrest and processing of the suspect.

Designed specifically for the marine environment, you will learn how to detect impaired boaters and properly administer field sobriety tests using procedures commissioned by the United States Coast Guard. The course will also cover enforcement strategies and issues surrounding Miranda and Implied Consent.

If you have already had training in standardized field sobriety testing, this course will expand your training giving you specific techniques for use in boating situations.

Topics include:

- B.U.I. visual detection clues
- Legal aspects of B.U.I. enforcement
- Standardized field sobriety testing (including horizontal gaze nystagmus)
- Proper documentation techniques
- Water born enforcement and B.U.I. sobriety checkpoints
- Wet lab drinking exercises
- Report writing
- Introduction to drug impairment
- Arrest techniques in the marine environment
- Case preparation and courtroom testimony
- Preliminary boating accident investigations involving drugs and/or alcohol

• BRING OUR TRAINING TO YOUR AGENCY •

The Public Safety Institute (PSI) can assist you in presenting classes at your agency or training facility. By holding classes at your facility you reduce your training costs while maintaining the same high quality, professional training you have come to expect from PSI.

The Public Safety Institute provides:

- Highly qualified instructors who are experts in their given specialties
- A certificate of completion for each student who successfully completes the course
- Technical assistance required to prepare, conduct and evaluate each program
- All student reference materials

In most cases, your agency need only provide:

- A classroom capable of seating the attendees
- Audio and visual equipment for our instructors

All programs can be presented at your location. For details on cost-effective, co-sponsored programs call us at:
